Today's Agenda – Afternoon Session - Waterloo Suite

	Afternoon Session - Waterloo Suite
15:05-15:30	**BREAK**
15:30-15:50	**SPONSOR PRESENTATION** - Digital ID - Single Sign-on for fraud? - **Chris Lewis, Head of Solutions -** <u>Synectics Solutions</u> *Myth or prophecy? How will the advent of the reusable digital identity affect fraud? What new risks could digital IDs create and how do we mitigate them?* *Join us for an enlightening keynote as we delve into the world of reusable digital identities, their vulnerabilities, and the looming threat of fraud. We'll explore the current state of digital identity, shedding light on how digital identity affects the current fraud landscape. Will a compromised digital identity become "Single Sign-on for fraud"? You will gain a comprehensive understanding of the challenges posed by it, insights into the types of controls and mechanisms digital identity providers and relying parties can put in place to mitigate this risk.*
15:50-16:10	**PRESENTATION** - Case Study - How Denmark became a global digital frontrunner - **Roland Eichenauer,** <u>NEXI Group</u> *The national eID solution - today adopted by 99% of the population - has played a key role **in digitizing banks** and enabling the journey towards a Digital Denmark, also fostering public and private sector harmonization.*
16:10-16:55	**PANEL - Digital ID Adoption** ***Moderator:*** *Geraint Rogers,* <u>*Daon*</u> *Three panellists representing acceptors of Digital ID will talk about the benefits they see from Digital ID and the challenges to be overcome.*
16:55-17:00	**Wrap up** - Mags Moore, Chair - <u>OIX</u>
17:00-18:30	**Post Conference Drinks Reception**
