

OIX Member Representative Election 2021 - Jim Lound

1. What are the key opportunities you see for the OIX in 2021?
 - Helping DCMS take the National Trust Framework 'over the line'.
 - Influencing the development of Trust Schemes
 - Pensions Dashboard
 - HM Land Registry
 - Digital Identity Scotland.
2. How will you demonstrate your commitment to the work of OIX in terms of resources, focus and leadership?
 - I commit to representing members at all the OIX events & initiatives I am engaged in.
 - As a representative of tScheme and in my own right as a consultant I am heavily involved in the digital identity space.
 - I will encourage Members to engage with me, make me aware of their aspirations and concerns and I will ensure that these are presented at the relevant OIX forums.
3. What would you like to see accomplished, and how do you plan to make these things happen?
 - a. I would like to see the membership extend in terms of numbers and sectors.
 - As opportunities arise, I will make sure people are aware of the work that OIX undertakes and the benefits of being an OIX member.
 - b. I would like to see the National Trust Framework published.
 - I will take the opportunity to review and comment on drafts as they are made available.
 - c. I would like to see Trust Schemes go live under the National Trust Framework.
 - I will promote the need for interoperable trust schemes.
 - d. I would like to see a fully operational certification scheme go live whereby trust service suppliers comply with a core National Trust Framework requirement and the relevant supplementary sector / scheme specific requirement.
 - In my role at tScheme I will contribute towards the development of a National Trust Framework certification profile and sector / scheme specific profiles.
4. What resources will you and your organisation bring to help OIX attain its goals?
 - a. I will make myself available for Members to contact me to discuss their aspirations and concerns
 - b. I will attend OIX events as a Member Representative
 - c. As a representative of tScheme I will contribute to the development of the certification process.
5. What current or past experiences, skills, or interests will inform your contributions and views?
 - a. I have been involved in the identity business for over 20 years.
 - b. I was at the sharp end of designing, developing and implementing the Experian identity provider platform as part of the GOV.UK Verify service and extending this into the Experian direct to consumer business, providing users with the opportunity to utilise their digital identities across a range of public and private sector services.
 - c. Representing Condatis, I was responsible for delivering the Digital Identity Scotland pilot in 2019.
 - d. I am an advocate of customer choice, inclusion, control and experience in respect of the use of federated digital identities
